

A VALUES-DRIVEN COMPANY

As a nimble, independent mortgage company, we've kept our underwriting turn times under 48 hours, allowing us to close in 30 days, throughout this extraordinary past year. But what makes us unique goes deeper than our stats. We respect each other — it's an important part of our culture. We run a well-oiled machine, evidenced by thousands of 5-star reviews. Most importantly, the Sente team lives by seven core values, and we're committed to creating financial opportunity.
